An error occurred in Figure 1 on page 4 of 7 of the published article. Compliant and non-compliant nurses in Figure 1 legend colours needed to be the other way around. Please see the corrected version of Figure 1, below.

PMTCT, prevention of mother-to-child transmission; MNCH, maternal, newborn and child health.

FIGURE 1: Proportion of nurses who were compliant and noncompliant with PMTCT national guidelines across the continuum of MNCH services.
